

Attachment 1. GoDurham bus stops included in the design services contract

GoTriangle is working with the City of Durham to procure design services for 30 bus stop locations. Listed below in Table 1 are the 25 individual bus stop locations that are addressed in the design services contract. Additionally, the contract includes a provision for five (5) additional sites, for a total of 30 bus stop locations.

Please note, Site No. 11: Walmart/MLK, is no longer part of the scope of services.
